

The Heavens declare the Glory of Elohim, and the firmament shows His handiwork.

Day unto day utters speech, and night unto night reveals knowledge.

There is no speech, there are no words, neither is their voice heard.

Their line is gone out through all the Earth, and their words to the end of the world.

Planets do not 'cause' specific events, any more than the hands on a clock 'cause' a specific time. Rather, the planets are indicative of the cosmic state of the archetypal dynamics at that time.

ASTROLOGY, FREE WILL AND SELF-DETERMINATION

Today, Astrologers' skills are applied from a consciousnessenhancing, soul-supportive, liberating, individually affirmative and encouraging perspective.

A good astrologer encourages free will and personal empowerment leading to fulfillment. Your Birth Chart offers accurate information about your personal potential, soul-mission, and unique cycles of growth and becoming.

More clarity, simplicity, and authenticity can be gained, that lead to self-mastery, healthy autonomy, and successful, creative living in harmony with the 'Power Sphere'.

SYNODIC CYCLE PHASES BASED ON THE MONTHLY SOLI-LUNAR CYCLE (The Slower Moving Planet is Primary)

PLANETARY PHASE ARCS

Understanding the Synodic Phase Relationships of Every Two Planets (and Moon) To Each Other As Viewed From Earth

FALL

LAST QUARTER 270-degree phase angle is Waning Square, a CRISIS OF RELEASE, of all that 'doesn't work'; errors, failures, disorder. Leaves fall from the plant, the tone

and the health of Creation.

ebbs in the Fall Phase of the cycle. A time of letting-go and

pruning. Desperation sets in if improperly aligned with heart

The closing phase of the cycle ('Balsamic') is releasing and returning to Source to begin anew. A dark and quiet time when one cannot see or envision what lies ahead or next steps. This enables deep renewal to manifest from the depths of WHOLE BEING--at the next seeding or Conjunction. The ego relinquishes 'knowing' and 'control'.

0 degrees or CONJUNCTION (The two planets occupy the same degree of the zodiac) is the 'New Moon' phase: The energies of the two planets merge, uniting form and spirit in a new creation. A seed is planted in springtime, a new cycle begins. INITIATION

WINTER

Cycle initiates @ 0°

Conjunction

A tone is struck, like striking a gong. This state of being is subjective, spontaneous, eager to BE, to go forth, and discover its potential.

45-degree relationship from the faster-moving planet to the slower (semi-square). Beginning of creative tension and struggle to be born. A new entity must begin to assert itself to actualize its potential. Crescent

> 60° (sextile) - Creative gifts come forward, more ease is enjoyed, blessed By Life and Source.

FIRST QUARTER 90-degree phase relationship is 'Square.' This is a stage of crisis, when the new entity or endeavor must struggle against inertia of the past, discouragement, and negation of its becoming. The gong tone begins to vibrate in earnest toward fullness of sound. 'Crisis in action.'

SPRING

00

Ő

240 Waning Trine - Ease of flow and fulfillment of sharing. Harmony, balance, blessings.

In the WANING half of the cycle the entity begins to DISSEMINATE and share with society what it has learned and mastered. At 275 degrees (waning quincunx) one may act as a 'server' to others and further corrections and/or refinements may be required.

> 180 degrees - Full Phase or Opposition. Now the entity can see itself objectively through Relationship and REAL-ize the bigger picture of its becoming. The Fullness of Actualization of Potential is achieved -- or not.

The flower blooms, the tone reaches full power, intensity and vibration. If the entity has compromised with negation, and split-off from its core being and truth in the growth-challenges along the way, disharmony, cognitive dis-sonance, even psychosis can manifest. Enlightenment / Conflict / Stalemate -- each of these or a combination may occur.

135 degrees is Quincunx or Inconjunct. This is a correctional phase angle, new abilities are to be built-in, a new spectrum of life bridged, overexpansion and error are checked.

120-degree phase relationship is Trine. Ease of transition, gifts and talents can engage constructively, harmonious mutuality between the two planets. Progress is well supported by life. The 'tone' strengthens. SUMMER

HUMAN IMMERSION IN HARMFUL TECHNOLOGIES

"The way cellphone frequencies are constructed is highly addictive because they stimulate the dopamine-producing neurons in the brain. Every time you use the cellphone you get a reinforcement in the brain to use it more.

Other neuropeptides in the brain are funneled towards producing dopamine -- the addictive substance in the brain -- but away from acetylcholine, from the higher thinking molecule. Acetylcholine is responsible for memory, so memory, higher thinking, and critical thinking are declining, and the addictive part of the brain is blossoming."

"5G" IS OUR TECHNOLOGICAL INTOXICATION DISASTER IN THE MAKING

BUILDING OUT and proliferating non-native radiation infrastructure to generate density and intensities that are lethal to all living things.

AND bringing that radiation down, closer to the ground where people live and move.

CELLPHONE TOWERS, CELL PHONES, AND WI-FI ARE DESTROYING FERTILITY ACROSS NATURE'S SPECTRUM OF LIFE

Dr. Girish Kumar, Professor of Engineering at IIT, Mumbai, World's foremost knowledge on cellphone towers.

Sparrows, honeybees, insects, and vegetation near cell towers are declining steadily.

In India, new cancer cases are growing by 1+ million per year! 6% of young couples CANNOT CONCEIVE because they carry cellphones on their bodies. A significant percentage of the population is now experiencing hearing loss on one side of the head, especially teenagers, sales people, and housewives.

Residents near cellphone towers develop: lack of concentration, hypertension, irritability, infertility, headaches, heart problems, asthma, blood sugar imbalance, birth deformities and abortions, cancer; usually a severe health problem in 5-7 years. People who live on the top floors of multi-unit housing with antennae get sick in 4-5 years.

These are not Earth- or cosmic-generated frequencies. They are creating confusion and chaos in the body and altering the molecules of oxygen and water.

CPMRA (close proximity microwave radiation antennas), are strong enough to make an entire family instantly ill; both the children and adults within a month, with all of the typical electrosensitive symptoms such as:

Nightmares, tinnitus, body pain and ache, constant sinus issues, constantly ill, memory loss, dizziness, unable to concentrate, sleeplessness, uncoordination, irritability.

Welcome to Minnesota EMF.com

The purpose of this website is to build a database of places in Minnesota — starting with the Twin Cities — where users can access unnatural electromagnetic fields (EMFs) and radiation (EMR) measurements in places of interest, high traffic and use. We will be tracking cell tower radiation and wi-fi electromagnetic fields. Eventually we will have a zoom-in map with clickable places to pull up data. For now we're starting out simply, listing places alphabetically on pages with city or area names.

Mass Experimental Injections are Creating Epic Tragedy

We are currently in one of the greatest deceptions ever promulgated on planet Earth that is injuring, killing, abusing, and oppressing millions daily, and WE MUST STOP IT.

Documentation and evidence have been mounting since the roll-out of mass injections among the people of the world that is deeply alarming. Not only are they NOT WORKING (they have negative efficacy), they are injuring and killing people at a high rate and th people are not being given an opportunity for informed consent to make their decisions, which is a violation of the Nuremburg Code

Data and facts on this matter cannot be denied, hidden, or suppressed any longer despite heavy-handed, coordinated plans and effort censor facts and conversation, curtail and suppress scientific studies, negate and deny adverse events and deaths, and abuse the injure refusing to give them a voice.

Indian Scientists Discover Coronavirus Engineered With HIV (AIDS) Like Insertions

By GreatGameIndia - (February 1, 2020) Last modified on February 6th, 2020 at 1:10 pm,

A group of Indian scientists have discovered that Wuhan Coronavirus has been engineered with AIDS like insertions. The study concludes that it is unlikely for a virus to have acquired such unique insertions naturally in a short duration of time. Meanwhile, China has started using AIDS drug for Coronavirus treatment.

- COVID WAS CREATED BY AMERICAN AND CHINESE "SCIENTISTS" AND INITIALLY RELEASED IN WUHAN. GOVERNMENTS WORLDWIDE HAVE BEEN LYING AND HIDING DATA TO PUSH THE INJECTIONS ON MORE PEOPLE.
- THE INJECTIONS ARE NOT 'VACCINES,' NOT "FDA APPROVED". THEY ARE A BIG PHARMA PROFITEERING SCHEME WITH FREE-FOR-ALL LATITUDE TO EXPERIMENT ON THE POPULATION WITH ZERO LIABILITY AND TRANSPARENCY.
- THE INJECTIONS DO NOT BREAK THE CHAIN OF COVID INFECTION, OR MAKE COVID LESS DAMAGING OR DEADLY. THEY HAVE "NEGATIVE EFFICACY" – SICKENING AND KILLING PEOPLE FAR BEYOND COVID. THE MOST HIGHLY VACCINATED COUNTRIES NOW HAVE THE HIGHEST CASES OF SICKNESS AND DEATH.
- SOME HOSPITALS HAVE BEEN KILLING PEOPLE WITH REMDESIVIR (FAUCI'S) TO RECEIVE \$100,000 PER DEATH THEY LIST AS "COVID" VIA MEDICARE/MEDICAID BILLING. SOME HOSPITALS HAVE BEEN KIDNAPPING PEOPLE, FORCING THEM ONTO VENTILATORS WHEN THEY HAD NO COVID-RELATED ILLNESS AT ALL. CHECK SCOTT QUINER INCIDENT AT MERCY HOSPITAL IN COON RAPIDS, MINNESOTA.
- THE TRUTH IS OUT BECAUSE OF INSURANCE COMPANIES DISCOVERING A 40 PERCENT INCREASE IN DEATHS IN 2021 THAT ARE NOT COVID-RELATED; DEPARTMENT OF DEFENSE WHISTLE BLOWERS; COURT-FORCED PFIZER PUBLIC DATA RELEASE, AND UNDERTAKERS' REPORTS.

Disrupts, cuts off, magnifies – brings focus, stress and emphasis to Uranus (electrical, change and disruption, the group) in Taurus (values, money, Earth gifts/support/riches), and especially to Moon's dominion (security, home, food and needs, supply).

Repetitive jolts, surges, shocks, attention-getting incidents and experiences -- a powerful opportunity to re-set the current reality. Energy builds with these events and cannot fully express creatively in the material world, until AFTER these occultations, in 2023.

SUGGESTIONS FOR NAVIGATING 2022

- Observe lower mind/ego: no mocking, intolerance, hatred/rage/blame toward others. Watch anger and frustration. It's a dangerous year. PATIENCE. Deep breathing! Spirituality is a potent comfort and real solutions come through.
- Take time away from technology; be aware of Real Life disconnection. Grounding is more important than ever, get out of the city for balance.
- Take care of your nervous system; cool down, calm down, breathe deeply.
- Be aware that the more choices we make to "go digital", the more vulnerable we are to sudden, shocking dispossession and control by false authorities.
- Roads are dangerous in 2022, use good sense and foresight when traveling. Be proactive pertaining to car care and maintenance.
- Large groups, aviation, electrical grid, tech, and machines are more disruptive, volatile and potentially dangerous (Saturn-Uranus). So too, is increasing crime in the neighborhoods. (Pluto)
- If you make a decision to leave a job for ethical purposes, work on your ability to RECEIVE Life's loving support for something BETTER.
- Simplify, watch for declining food quality, keep to basics. Don't assume that life will be as before.

"Anyone who believes in scarcity will program his mind to believe that scarcity is a reality. Therefore, he has to make a lot of money to compensate for scarcity. Consequently he will "make" his money in a way that will allow scarcity to persist. He will continue to invest in scarcity, and align his values to items in limited or controlled supply. 'There are only a few diamonds, so of course they will remain costly. Or, prime real estate will always be in demand'

He will empower his thinking with the economics of leverage, and then the leverage will start to cause problems in his life. He is forever working for more money to secure more leverage for himself, til eventually he is out-leveraged by Life. In such a state of mind he will never solve the riddle of abundance at all, but merely defend himself against the consequences of believing in scarcity! Scarcity is an aspect of structure, and so it is a selfperpetuating problem with no solutions. No matter how large or complex, structures are deteriorating. The principles of thermodynamics demonstrate the self-consuming nature of structure.

At the same time, the universe is infinitely expanding. There is no end to its abundance. This seeming paradox is only explainable by the power of Love."

"Love Without End .."

The Economy of Love will NEVER FAIL.

Reality is love based, and perfectly designed to empower the heart-centered individual into their greatest potential.

YOUR DESTINY IS WRITTEN IN LOVE

During this Time of Transition, any-and-everything is rising up from the lurking shadows of our collective unconsciousness. All of it needs to be revealed, examined, healed and transmuted. It is all about making the darkness conscious, and part of this process involves exposing lies, corruption and pathology.

This is NOT about being "negative", nor does it "lower" one's frequency. It's about accountability, integrity, self-responsibility and giving the Lie what it deserves -- the Truth.

-- Bernhard Guenther

Anything detached from the fiber of Nature is a half-lie.

WHATEVER OUR CHALLENGES AND STRESSES, THE DIVINE ORDER IS ALWAYS COMING THROUGH, AND WE CAN CHOOSE TO BE AGENTS FOR IT IN EVERY MOMENT!
